## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of  
SKA Securities, Inc.

We have audited the accompanying financial statements of SKA Securities, Inc. (an Ohio corporation), which comprise the statement of financial condition as of June 30, 2017, and the related statements of income, changes in stockholders' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. SKA Securities, Inc. management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of SKA Securities, Inc. as of June 30, 2017, and the results of its operations and its cash flow for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information on pages 13-14 has been subjected to audit procedures performed in conjunction with the audit of SKA Securities, Inc.'s financial statements. The supplemental

information is the responsibility of SKA Securities, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to the Financial Statements  
June 30, 2017

**NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS**

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is an Ohio corporation.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation – The Company is engaged as a securities broker-dealer including the facilitation of customers purchase and sales of mutual funds and advisory services for pension plan administration. The financial statements are presented on the accrual basis of accounting. Commissions and fees are recorded when earned.

Statement of cash flows – For the purposes of the Statement of Cash Flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than 30 days that are not held for sale in the ordinary course of business.

Equipment – All acquisitions of property and equipment in excess of \$500 and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets are capitalized.

Deferred Income Taxes – For income tax reporting, the Company uses the cash basis of accounting. As a result, net income recognized for financial statement purposes exceeds taxable income. Deferred income taxes have been recorded for the difference, which will be taxable in future periods when income is received.

Use of Management Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE 3 – COMMISSIONS RECEIVABLE**

Commissions receivable represent the brokers/dealer's commissions due on mutual funds purchased by customers but not yet paid. There has been no allowance for doubtful accounts as all receivables have been deemed collectible.

**SKA Securities, Inc.**  
Notes to the Financial Statements  
June 30, 2017

NOTE 4 – PENSION PLAN

NOTE 5 – LEASE OBLIGATIONS

The Company has a month-to-month lease for office space for a monthly rental of \$800 per month.

NOTE 6 – RELATED PARTY TRANSACTIONS

Management has evaluated income tax position taken or expected to be taken, if any, on income tax returns filed and the likelihood that, upon examination by relevant jurisdictions, those income tax provisions would be sustained. Based on the results of this evaluation management determined there are no positions that necessitated disclosures and/or adjustments.

The income tax return filed is not subject to examination by U.S. federal tax authorities for tax years before 2012.

**NOTE 9 – FAIR VALUE MEASUREMENTS**

The Company's financial instruments consist primarily of cash, commissions receivable, and accounts payable. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of  
SKA Securities, Inc.

We have reviewed management's statements, including the accompanying Exemption Report, in which SKA Securities, Inc. identified the following provisions of 17 C.F.R. 15c3-3(k) under which SKA Securities, Inc. claimed an exemption from 17 C.F.R. 240.15c3-3: (1-Limited business(mutual funds or variable annuities only) (the "exemption provisions") and SKA Securities, Inc. stated that SKA Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. SKA Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about SKA Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set for in paragraph (k) (1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
